FAMILY CARE
always with you.

Your parents are in good hands. You get peace of mind.

Family Care is a private concierge club for older adults and their families. We take on the day-to-day load, so you can enjoy real quality time with your parents, free of worry.

Why Family Care

- **A precise fit**
  To your parents' needs and your family's way of life.
- **Everything in one place**
  Errands, household, repairs, digital support, leisure, medical and legal matters.
- **Less loneliness, a better quality of life**
  So they can keep ageing with dignity, in their own home.
- **A permanent personal companion**
  Devoted, trained and carefully chosen (students and social workers). Warm company and respectful, eye-level care.
- **The burden comes off your shoulders**
  And quality time with your parents becomes real, and worry-free.

What we do for you

Running the household
Medication, groceries, car, laundry, reminders, payments and paperwork with the bank and health fund.

Home maintenance
Vetted tradespeople. We coordinate, oversee the work and make sure of a fair price and a clean finish.

Medical escort
An escort to the doctor or hospital, and home medical services.

Digital and technology
Phone, TV, internet and apps. We fix things and explain patiently.

Culture and leisure
A café, a concert, a museum, a day out. We arrange it and go along.

Legal guidance
Guardianship, power of attorney, wills, family mediation, rights and assisted living.

FAMILY CARE
always with you.

For families

How to start

1. **Introductory meeting**
   A representative comes, listens and opens a personal file.
2. **Joining the club**
   You choose to join the members' club.
3. **Choosing a plan**
   We define the basis of the meetings included.
4. **Meeting the companion**
   A matching meeting with a companion from our team.
5. **Planning together**
   We plan activities in the calendar.
6. **Enjoying the service**
   And fine-tuning it together, over time.

Example: fixing a problem at home

Request
One number, 24/7: phone, WhatsApp or email.

Solution
We brief the tradespeople, secure a good price and handle it end to end.

Payment
We pay the tradesperson and show you the costs.

Done
We make sure it is done properly, then ask for feedback.

Privacy and confidentiality
We protect your privacy. Staff sign confidentiality agreements and your data is stored securely.

How the service is priced

In the membership
Your personal team's availability and the companion's work.

External services
Tradespeople, travel, tickets and purchases are extra. You pay only for what you order, itemised.

Payment
Bank transfer, credit card or Bit/PayBox.
