FAMILY CARE
always with you.

More time for what you love. We'll take care of the rest.

A personal service club for older adults: a permanent companion who knows you, trusted tradespeople and one number for everything. You decide, we take care of it.

Why Family Care

- **You decide**
  Everything happens with your approval and at your pace. We never act without asking.
- **One phone number for everything**
  A repair, a doctor, shopping or help with your phone. You call, we handle it.
- **Less loneliness, more life**
  Coffee, a show or a trip, and someone to talk to.
- **A permanent personal companion**
  One person who knows you well, offering family-like companionship and respectful care.
- **You stay in your own home**
  Independence and dignity, in the home you know, with someone you can rely on.

How we help

Your household
Shopping, medication, payments and paperwork with the bank and health fund. You relax.

Repairs at home
Plumber, electrician, air conditioning and more. Vetted tradespeople, a fair price and a tidy home afterwards.

Medical coordination
Your companion goes with you to the doctor or tests, and schedules your appointments.

Phone and computer
We fix things and explain patiently: phone, TV, internet and apps.

Culture and leisure
A café, a concert, a museum, a day out. You choose, we arrange everything and go with you.

Paperwork & legal
Coordination with lawyers: power of attorney, wills, entitlements.

FAMILY CARE
always with you.

For you

How to start

1. **A first call**
   Call or message us, with no commitment.
2. **A visit at home**
   A representative visits, listens and opens a personal file.
3. **Choosing a plan**
   Only what suits you.
4. **Meeting the companion**
   A meeting to get acquainted and check the match.
5. **Planning together**
   We put in the calendar what we do and when.
6. **Enjoying it**
   You can always change and fine-tune things.

Example: something breaks at home

You call
One phone number, during working hours. In an emergency, 24/7. WhatsApp works too.

We handle it
We brief the tradespeople, secure a fair price and oversee the work.

You approve
The cost is agreed with you before work begins.

Done
A tidy home, a written summary, and we ask for your feedback.

Privacy and confidentiality
Your details stay with us. Staff sign confidentiality agreements and your data is stored securely.

How the service is priced

In the membership
Your personal team's availability and your companion's time.

External services
Tradespeople, travel, tickets and purchases are extra. You pay only for what you order, with an itemised bill.

Payment
Bank transfer, credit card or Bit/PayBox.

Club plans
